MINUTES
DEPARTMENT OF TRANSPORTATION COMMISSION
OF
SOUTH CAROLINA

The regular monthly meeting of the Department of Transportation Commission was held at the offices of the State Department of Transportation in Columbia, South Carolina, at eleven o'clock on December 16, 1993. In compliance with the "Freedom of Information Act" the news media was advised in writing of the time, date and place of this meeting.

Present

Absent

V. Laniel Chapman, Chairman Presiding
William H. Alford
Charles T. Brooks, Sr.
Thomas A. Drayton
Joe C. Harden
Robert Wm. Harrell, Sr.
W. Brantley Harvey, Jr.
Alec McLeod, Jr.
F. S. McWhirter
Jack Mullinax
Joseph K. Newsom, Sr.
W. M. "Mat" Self
H. C. Shealy
Donald E. Wilder
Frances L. Willis

T. Carroll Atkinson, Jr.
Vincent Caggiano, Jr.
Richard Ness

Also Present: Daniel P. Fanning, Executive Director

SECTION 1: The Minutes for the Meeting of November 18, 1993, copies of which had been previously mailed to each member of the Commission, were approved.

SECTION 2: The Commission passed a motion approving monthly reports as published by the Department of activities for the month of November, 1993.

SECTION 3: The Commission passed a motion approving purchase orders issued for amounts in excess of \$10,000.00, during the month of November, 1993, as shown in the Appendix.

SECTION 4: The Commission passed a motion authorizing the Department to enter into a contract with a consultant engineering firm to provide "on call" Pile Driving Analysis (PDA) services for an amount not to exceed \$500,000.00 per year, as shown in the Appendix.

SECTION 5: The Commission passed a motion authorizing the Department to enter into an agreement for consultant services to perform Inspection of Treated Wood Products, as shown in the Appendix.

SECTION 6: The Commission passed a motion authorizing the Department to enter into a contract with Wilbur Smith and Associates for the planning and design of a traffic signal system in the City of Aiken, Aiken County at an estimated cost of \$160,000.00, as shown in the Appendix.

SECTION 7: The Commission passed a motion authorizing the Department to select a consulting engineering firm to provide investigation of underground storage tank at an estimated cost not to exceed \$500,000.00 per year, as shown in the Appendix.

SECTION 8: The Commission passed a motion authorizing the Department to enter into a contract with Jones & Frank Corporation for Statewide Underground Tank Replacement - Phase II at an estimated cost of \$673,982.00, as shown in the Appendix.

SECTION 9: The Commission passed a motion accepting a report by the Department for Sale of Surplus MSC Property - Land in the City of Chester, Chester County, as shown in the Appendix.

SECTION 10: The Commission passed a motion accepting a report by the Department of quitclaim deeds, as shown in detail in the Appendix.

SECTION 11: The Commission passed a motion accepting a report by the Department of right of way payments on roads in State Secondary "C" Construction Program for Bamberg and Colleton Counties, as shown in the Appendix.

SECTION 12: The Commission passed a motion approving the action of the Department in extending an existing construction contract to include additional resurfacing work, as shown in the Appendix.

SECTION 13: The Commission passed a motion approving the action of the Department in extending an existing bituminous retreatment contract to include additional resurfacing work, as shown in the Appendix.

SECTION 14: The Commission passed a motion authorizing award of contract for rest area maintenance projects in Anderson, Berkeley, Calhoun, Charleston, Cherokee, Chester, Colleton, Florence, Kershaw, Laurens, Newberry, Orangeburg and Sumter Counties in the December 6, 1993 letting, as shown in the Appendix.

SECTION 15: The Commission passed a motion rejecting the bids received for rest area maintenance projects in Anderson, Berkeley, Calhoun, Charleston, Cherokee, Chester, Colleton, Florence, Kershaw, Laurens, Newberry, Orangeburg and Sumter Counties in the December 6, 1993 letting, as shown in the Appendix.

SECTION 16: The Commission passed a motion authorizing the award of a contract for Horry County contingent upon execution of agreement between A. O. Hardee & Son Drainage, Inc., as shown detail in the Appendix.

SECTION 17: The Commission passed a motion rescinding its action on the dates indicated in adding sections of roads, as shown, to the State Highway System:

Addition
Number

Richland County

921 Broad Street in Columbia (Eau Claire) from Sunset Drive to Adams Street approximately 0.25 mile
Designated Road S-326
Added to System 12/19/57
Removed 3/18/93
Note: This road is being reinstated due to the fact another road should have been removed. The correct section to be removed is Road S-326.

SECTION 18: Pursuant to Code Section 57-5-80, the Commission passed a motion removing the following described road sections from the State Highway System:

Addition
Number

Charleston County

Portion of
599 Middle Street on Sullivans Island from Survey Station 7+77.16 to Survey Station 9+00 at end of existing pavement approximately 0.023 mile
Designated S-599
Added to System 9/16/54
Note: This portion of road is being removed at the request of the Town of Sullivans Island due to a proposed drainage project to be located in this area.

Addition
Number

Richland County

326

Sunset Drive in Eau Claire from Academy Street to a point near Colonial Drive approximately 0.2 mile
Designated S-326
Added to System 5/15/52
Revised 6/19/91
Note: This removal is recommended due to the fact the wrong road was removed at the Commission on March 18, 1993.

SECTION 19: The Commission passed a motion correcting the description of sections of State Highway previously added to the State Highway System to read as follows:

Addition
Number

Cherokee County

81

Section of road west of Gaffney from Road S-133 to SC Route 105 approximately 0.32 mile - Designated S-110 section of road from SC Route 105 to SC Route 105 with a spur approximately 0.27 mile Designated S-46 also section of road from I-85 at SC Route 105 northerly to Road S-61 approximately 1.29 miles (Designated S-81) - 1.88 miles total
Added to System 11/18/48
Revised 3/18/93
Note: This revision is recommended to change a section of Road S-42 to Road S-110 since the portion removed on 3/18/93 separated Road S-42 and no longer provides a continuous routing for Road S-42.

Marion County

96

Waycross Street in Marion from SC Route 41-A southerly to railroad approximately 0.05 mile
Designated S-380
Added to System 5/21/53
Revised 4/16/92
Portion Removed 1/21/93
Note: This revision is recommended to change the secondary number to Road S-380, since Road S-379 was not continuous routing after the portion was removed on 1/21/93.

SECTION 20: The Commission passed a motion correcting the description of the following sections of roads added to the State Highway System to read as follows:

<u>Addition Number</u>	<u>Orangeburg County</u>
2020	Loop road from Road S-1203 near US Route 178 southeasterly and northwesterly forming a loop to Road S-1203 with a connection to Road S-2025 approximately 0.87 mile Designated S-2020 Added to System 2/18/88
2025	Starling Drive from US Route 178 to deadend approximately 0.42 mile Designated S-2025 Added to System 2/16/89

SECTION 21: Pursuant to Code Section 57-5-70, the Commission passed a motion adding the following roads to the State Highway System, maintenance jurisdiction by the Department of such roads to become effective when construction to the State Highway standards shall have started:

<u>Addition Number</u>	<u>Jasper County</u>
432	Section of road from US Route 601 just north of Pineland northeasterly approximately 0.33 mile To be designated S-27 Note: This addition is recommended since this section of road is now under contract by File 27.488 without being added to the State Secondary System.

SECTION 22: The Commission passed a motion amending the State Economic Development Construction Program, as follows:

<u>Item No.</u>	<u>Aiken County</u>
	<u>Addition</u>
105,200	Metal Services & Supply, Inc. - Access roadway from US 78 to Metal Services & Supply, Inc. 0.16 mile (Constr) \$ 50 000 00

Item No.Berkeley CountyRevision

105,189	Confidential Project Rosewood (Description the same amount increased from \$152,860.00)	\$ 425 961 01
---------	---	---------------

202093 Resurfacing along Road S-86 from SC Route 49
easterly to SC Route 105 - 0.6 mile
Project abandoned - amount reduced to actual cost
of engineering only - project included in Federal
Aid project to be built next year

SECTION 34: Commissioner Harrell abstained from voting on
sections 2 thru 33 of the recommendations.

SECTION 35: The Transportation 2000 Committee presented
its report and recommendations. Chairman Chapman deferred action
until the January meeting of the Commission to allow an
opportunity to review the recommendations.

SECTION 36: Mr. Connally Sanders, Chairman of the
Engineering Excellence Awards Committee of the Consulting
Engineering Counsel of Georgia presented an Award for Excellence
in Design recognizing the Mark Clark Bridge crossing the Cooper
River in Charleston. Mr. James Tuttle of HNTB was also presented
an award for this project. A framed picture of the bridge was
presented to Mr. Fanning for display in the headquarters
building.

SECTION 37: On motion of Commissioner Shealy, seconded by Commissioner Brooks, the Commission passed a motion adopting as policy of the SCDOT allowing the Mass Transit Division to permit transit providers the option of using up to fifty (50) percent of their share of the \$3 million state support to transit providers for operating purposes with the following provisions:

(1) that the agency concurs that the capital equipment of the operation are not unreasonably depleted

(2) that the amount of dollars converted to operations be matched by a like same increase in the amount of local support to mass transportation. Commissioners Wilder and Self voted no to this motion.

SECTION 38: On motion of Commissioner Harvey, seconded by Commissioner Brooks, the Commisison unanimously passed a motion adopting the following resolution naming the US Highway 301 bridge which crosses over the Big Pee Dee River in Florence County as the "David Walker Harwell Bridge":

RESOLUTION

WHEREAS, David Walker Harwell was born on January 8, 1932 in the Mars Bluff Community of Florence County, South Carolina; and

WHEREAS, after being educated in the public schools of South Carolina, he served in the United States Navy from 1952 until 1954, returned to South Carolina, graduating from the University of South Carolina School of Law in 1958; and

WHEREAS, after completing law school, Mr. Harwell returned to Florence County to practice law and four years later, in 1962 began his public service by being elected to the South Carolina House of Representatives; and

WHEREAS, during his nine years in the South Carolina House of Representatives, Mr. Harwell served on both the Judiciary Committee and the Ways and Means Committee, in addition to serving as chairman of the South Carolina Agricultural Study Commission; and

WHEREAS, David W. Harwell was a driving force in the passage of the enabling legislation which established Francis Marion University in Florence County; and

WHEREAS, David W. Harwell was uninmaously elected by the South Carolina General Assembly as the Resident Circuit Judge of the Twelfth Judicial Circuit in May 1973; and

WHEREAS, Judge Harwell served on the Circuit Court bench from 1973 to 1980, and on February 20, 1980, was elected as Associated Justice to the South Carolina Supreme Court, and elected as Chief Justice on May 8, 1991, assuming this office on January 1, 1992; and

WHEREAS, Chief Justice Harwell has received many distinguished honors and awards, including the South Carolina Trial Lawyers Association Portrait and Scholarship Fund at the University of South Carolina School of Law, the Honorary Doctor of Humanities Degree from Francis Marion University, and the Reid Montgomery Freedom of Information Award by the Central South Carolina Chapter of the Society of Professional Journalists; and

WHEREAS, the South Carolina Transportation Commission recognizing David W. Harwell's untiring service to the State of South Carolina, wishes to name the United States Highway 301 bridge which crosses over the Big Pee Dee River in Florence County in his honor;

NOW, THEREFORE, BE IT RESOLVED by the South Carolina Transportation Commission the Department is instructed to name the United States Highway 301 bridge which crosses the Big Pee Dee River in Florence County as the David Walker Harwell Bridge.

SECTION 39: On motion of Commissioner Harvey, seconded by Commissioner Willis, the Commission unanimously passed the following resolution naming that portion of SC Highway 20 which begins at the intersection of SC Highway 20 Connector and SC Highway 29 and continues through Williamston, Pelzer and West Pelzer to the Greenville County Line as the "Earl Wooten Highway":

RESOLUTION

WHEREAS, Earl H. Wooten, Sr. has distinguished himself with his athletic achievements in the fames of baseball and basketball and is affectionately known as "the Earl of Pelzer" in recognition of his accomplishments in the field of sports; and

WHEREAS, Earl H. Wooten, Sr. was one of the first inductees into the South Carolina Athletic Hall of Fame; and

WHEREAS, Earl H. Wooten, Sr. is a member of the Southern Textile Basketball Tournament Hall of Fame and still holds many of the Southern Textile Basketball Hall of Fame's records for athletic achievement; and

WHEREAS, Earl H. Wooten, Sr.'s basketball career spanned over twenty years, and he is credited with scoring over 20,000 points; and

WHEREAS, Earl H. Wooten, Sr. played professional baseball with the Atlanta Crackers, the Chattanooga Lookouts, and the Milwaukee Brewers, and did serve with distinction on the winning team of the "Little World Series", and

WHEREAS, Earl H. Wooten, Sr. played professional baseball with the Washington Senators and did play with great distinction; and

WHEREAS, Earl H. Wooten, Sr. managed the Greenville Spinners in his last season of professional baseball in 1955; and

WHEREAS, Earl H. Wooten, Sr. was selected as the most valuable player in the Western Carolina Baseball League for two consecutive years; and

WHEREAS, Earl H. Wooten, Sr. was named most valuable player in the Dixie Basketball League, and was named the most valuable player in the Southern Textile Basketball Tournament; and

WHEREAS, Earl H. Wooten, Sr. served as Athletic Director at Piedmont Mills and managed the baseball team and coached the basketball team, leading them to win both pennant and playoffs in the Western Carolina League; and

WHEREAS, Earl H. Wooten, Sr. has been an exemplary role model for generations of South Carolina's youths and sports enthusiasts and has freely and generously given his time to coach, referee and organize athletic events; and

WHEREAS, Earl H. Wooten, Sr. has epitomized the nobler virtues of baseball and basketball, both on and off the playing field, and has inspired others to emulate his unflagging dedication to sportsmanship, competition and fair play; and

WHEREAS, the citizens of Williamston, Pelzer and West Pelzer and the Anderson County delegation desire to recognize the achievements and positive influence of Earl H. Wooten, Sr. by naming a highway in his honor;

NOW, THEREFORE, BE IT RESOLVED that Earl H. Wooten, Sr. shall be presented this resolution proclaiming that the portion of South Carolina Highway 20 which begins at the intersection of South Carolina Highway 20 Connector and South Carolina Highway 29 and continues through Williamston, Pelzer and West Pelzer to the Greenville County Line shall hereafter be known as the Earl Wooten Highway.

12/16/93

SECTION 40: On motion of Commissioner Willis, seconded by Commissioner Newsom, the Commission passed a motion authorizing Commissioner Harvey, Chairman of the Personnel, Resolutions and Legal Committee, to work with the Department's legal staff to amend Section 9.02, paragraph C. of the Department's Personnel Rules and Regulations pertaining to political activities of DOT employees by assuring that all federal and state laws are satisfied. Commissioners Drayton and Harrell voted no to this motion.

SECTION 41: The Commission passed a motion adopting on an interim basis, the County Transportation Plans for Lexington, Newberry, Cherokee, Laurens and Darlington Counties, as shown in the Appendix. It is noted that under the present legislation, all CTC Committees must submit road projects to the SCDOT Commission for approval before the contracts can be awarded.

SECTION 42: There being no further business to come before the Commission, the meeting was adjourned at 12:30 p.m.

W. L. McIlwain
Secretary

V. Laniel Chapman
Chairman

APPENDIX

Department of Transportation Commission

Meeting of

December 16, 1993

RECOMMENDATIONS

Highways and Public Transportation Commission
Meeting of December 16, 1993

Monthly reports published by the Department of activities for the month of November, 1993 are submitted under separate cover. These reports are for the information of the Commission.

It is recommended that the Commission accept the November, 1993 reports.

PAYMENTS FOR RIGHTS OF WAY ON ROADS IN STATE
SECONDARY CONSTRUCTION "C" PROGRAM

Payment has been made for right of way on the following roads in the "C" Construction Program:

November 18, 1993	Project 0567-1 Road S-866 Colleton County, Ezekiel Cross and Walter Cross	\$1 290 44
-------------------	---	------------

The above is payment for full and complete satisfaction of court verdict rendered in trial on April 10, 1992, in Colleton County.

November 18, 1993	Project C - Road S-640 Bamberg County, Lucretia K. Hoover	\$ 500 00
-------------------	--	-----------

The above is payment for final and complete settlement out of court of the right of way condemnation case.

This report is being made in compliance with Section 9 of the minutes of the Commission of December 19, 1957.

Recommendations - 12/16/93

Request for Consultant to Provide PDA Services

The Department requests approval to establish a one (1) year with option to extend (1) additional year contract with a consultant engineering firm to provide "on call" Pile Driving Analysis (PDA) services for an amount not to exceed \$500,000.00 per year. Funding for these services will be provided from the various Federal and State projects.

Recommendations - 12/16/93

Agreement for Consultant Services to perform
Inspection of Treated Wood Products

The Department requests permission to negotiate an agreement with an independent inspection agency. This agreement will provide for in-plant inspection and testing associated with the production of treated wood products used in highway construction. The past agreement for performing these services was with the inspection agency, A.W. Williams Inspection Company, Inc., and was dated July 17, 1989. It is necessary to negotiate a new agreement due to the expiration of the present contract on July 16, 1994.

The costs for performing these services do not require a special appropriation of funds. Monies for reimbursing the inspection agency are set up for the various construction projects on which the materials will be used.

It is requested that the commission approve the Department's request to negotiate this contract.

Recommendations - 12/16/93

Contract for Engineering Services

Pursuant to the Commission's previous action of November 19, 1992, authorizing the Department to seek consultant services for the planning and design of a traffic signal system in the City of Aiken in Aiken County, the Department has entered into a contract with Wilbur Smith and Associates, in the amount of \$160,000.00. Work is to be funded under the Federal STP Program and through the City of Aiken.

Recommendations - 12/16/93

Request for Consultant to Provide
Environmental Engineering Services

The primary service provided by the agreement has been investigating of Underground Storage Tank sites and other sites with environmental concerns as requested by our Environmental Department, Right of Way Department and such sites encountered during actual construction of projects.

The Department requests approval to advertise and select a consultant engineering firm to provide "On Call" Environmental services for a period not to exceed two (2) years for an amount not to exceed \$500,000.00 per year. Funding for these services will be provided from the various Federal and State projects.

Recommendation - 12/16/93

Underground Tank Removal Contract Award

Project: Statewide Underground Tank Replacement - Phase II
Project Number: U12-9608-MJ

It is recommended that the Commission please authorize a contract for the above referenced project to:

Low Bidder: Jones & Frank Corporation
Low Bid: \$673,982.00

Sale of Surplus MSC Property - Land

On May 15, 1941, the Department purchased 4.0 acres of land in the City of Chester, Chester County from John G. White for a Maintenance Shop Facility.

As a result of the Department consolidating its maintenance operations in Chester County, this maintenance shop facility is no longer being used and our capital improvements Committee recommended that the property be sold. The property was appraised on March 11, 1993, and the appraised value is \$67,000.00. We have been contacted by the city of Chester requesting that they be allowed to purchase this facility for City use and we would like to sell directly to them. Therefore, Commission's approval to sell this property to the City of Chester is requested.

This matter is reported to the Commission in accordance with the requirements of Code Section 57-5-340.

File MSC #87

12/02/93

SURPLUS RIGHT OF WAY PROPERTY - LAND

1. File 35.495 - Route SC 912 - Marlboro County:

During acquisition of right of way for construction of improvements on SC Route 912 in Marlboro County, under File 35.495, the Department acquired Tract 12 from Elease Quick by Title to Real Estate dated August 5, 1993, a portion of which was considered to be an uneconomic remainder.

During negotiations with another owner for the right of way needed from a tract that adjoins the above referenced remainder, an agreement was reached for the Department to convey to them this property. Therefore, a gratis quitclaim deed conveying an approximate 0.33 acre parcel of land to Samuel L. Turner and Sybil O. Turner was executed on October 1, 1993.

2. File 3240.415 - Road S-36/S-42/I-26 - Lexington/Richland County:

During acquisition of right of way for construction of improvements on Road S-26/Road S-42/I-26 in Richland County, under File 3240.415, the Department acquired Tract 5 from Statewide Stations, Inc. by deed dated May 27, 1981, a portion of which was considered to be an uneconomic remainder.

At the request of an adjoining owner an investigation was made and it was determined that the Department did not need to retain the above remainder and that it could be exchanged for a Title to Real Estate for additional right of way along St. Andrews Road, Fernandina Road and Kay Street. Therefore, a gratis quitclaim deed conveying an approximate 0.5 acre parcel of land to Haley-Redd LP, A Georgia Limited Partnership was executed on October 5, 1993.

3. File 19.525 - Road S-523 - Edgefield County:

During acquisition of right of way for construction of improvements on Road S-523 in Edgefield County, under File 19.525, the Department acquired right of way to allow for construction of a special ditch from Mary Angela Carroll by Right of Way Easement dated August 28, 1991.

Prior to construction of this project it was determined that the above referred to ditch would not be needed and that the right of way acquired for the special ditch could be relinquished back to the owner. Therefore, a gratis quitclaim deed conveying an approximate 0.08 acre parcel of land to Mary Angela Carroll was executed on November 1, 1993.

4. File 18.351 - Road I-95 - Dorchester County:

During acquisition of right of way for construction of I-95 in Dorchester County, under File 18.351, the Department acquired right of way from Louise T. Harris by Right of Way Easement dated April 29, 1968, and from Herbert Traxler by Right of Way Easement dated May 21, 1968.

At the request of an adjoining owner an investigation was made and it was determined that a portion of the above referred to right of way was no longer needed and could be relinquished. Therefore, a quitclaim deed conveying an approximate 0.9 acre parcel of land to Joseph L. Thomas, aka Joe Lester Thomas, Trustee of the Thomas Trust and Joseph L. Thomas aka Joe Lester Thomas and Eleanor Thomas aka Eleanor Crook Thomas as Trustee of the Thomas Family Trust was executed on November 2, 1993, for consideration of \$150.00.

5. File 10.341 - Road S-257 - Charleston County:

On November 17, 1949, a section of Road S-257 (Pavilion Drive) on the Isle of Palms, from Road S-7 (Harbor Oaks Drive, now J. E. Long Blvd.) to Palm Blvd., approximately 0.10 mile in length, was added to the State Highway System. In 1991 during construction of improvements on Palm Blvd., under File 10.862 Part II, a portion of this road from Road S-256 (Carolina Blvd.) to SC Route 703 (Palm Blvd.) (approximately 0.04 mile) was removed. A cul-de-sac was constructed and created a dead end on Pavilion Drive.

In May 1993 the City of Isle of Palms requested that the section of Road S-257 from J. E. Long Blvd. to the cul-de-sac, approximately 0.06 mile, be removed from the State Highway System and quitclaimed to them. Therefore, this section of road was removed from the System on June 17, 1993, and conveyed to the City of Isle of Palms by gratis quitclaim deed, executed on November 13, 1993.

This matter is reported to the Commission in accordance with the requirements of Code Section 57-5-340.

12/02/93

Recommendations 12/16/93

EXTENSION OF CONSTRUCTION CONTRACT

It is recommended that the Commission approve the action of the Department in extending an existing construction contract to include additional resurfacing work, as follows:

Charleston County

Contract of Ballenger Paving Company, Inc. - File No. 10.983 - extended to include Federal Aid Project No. NH-87(150) (File No. 10.983.1) consisting of the removal of two existing signs and the erecting of three new signs on Sign Structure No. 1 at the intersection of US Route 17 and S. C. Route 7.

Estimated Cost of Extension \$ 5,604.76

This extension was authorized by the Department prior to formal approval by the Commission since the adjacent work had reached such a stage of completion that the contractor involved could not accept the additional work unless it was authorized without delay.

Recommendations 12/16/93

EXTENSION OF BITUMINOUS RETREATMENT CONTRACT
TO INCLUDE ADDITIONAL RESURFACING WORK

It is recommended that the Commission approve the action of the Department in extending an existing bituminous retreatment contract to include additional resurfacing work, as follows:

Aiken County:

Contract of Knox-Rivers Construction Company - File Nos. 2.1085 and 2.611 - extended to include resurfacing (File No. 2.1085) of .10 mile on SC 230 from S-2-292 (Marshall Street to S-2-291 (Hampton Terrace)).

Estimated Cost of Extension \$ 108.28

This extension was authorized by the Department prior to formal approval by the Commission since the adjacent work had reached such a stage of completion that the contractor involved could not accept the additional work unless it was authorized without delay.

BIDS RECEIVED BY THE DEPARTMENT
AT ITS LETTING OF DECEMBER 6, 1993
COLUMBIA

PURSUANT TO NEWSPAPER ADVERTISEMENTS OF OCTOBER 20, 1993 & NOVEMBER 15, 1993, FOUR BIDS WERE RECEIVED BY THE DEPARTMENT AT ITS LETTING OF DECEMBER 6, 1993 FOR THE FOUR PROJECTS LISTED BELOW AND IT IS RECOMMENDED THAT THE COMMISSION CONCUR IN THE FOLLOWING ACTIONS.

IT IS RECOMMENDED THAT THE COMBINATION BID ENCOMPASSING THE UPPER, CENTRAL, AND LOWER STATE REGIONS BE AWARDED. IT IS RECOMMENDED THAT THE INDIVIDUAL BIDS (UPPER, CENTRAL, AND LOWER STATE REGIONS) BE REJECTED.

RESULTS OF THE BIDS ARE AS FOLLOWS:

RECOMMENDED FOR AWARD

REST AREA MAINTENANCE WORK

ANDERSON, CHEROKEE, LAURENS, NEWBERRY, CALHOUN, CHESTER, FLORENCE, KERSHAW, SUMTER, BERKELEY, CHARLESTON, COLLETON & ORANGEBURG COUNTIES

S. C. FILE NOS. 404.3004, 411.3008, 430.3004, 436.3005, 409.3004, 412.3004, 421.3005, 428.3004, 443.3005, 408.3005, 410.3006, 415.3004, 438.3012 & 438.3013 - (REST AREA MAINTENANCE) - COMBINATION BID OF THE UPPER, CENTRAL & LOWER STATE REGIONS - MAINTENANCE OF PUBLIC REST ROOMS AND GROUNDS IN ALL COUNTIES LISTED IN THE ABOVE UPPER, CENTRAL & LOWER STATE REGIONS.

NUMBER OF BIDDERS - 1

LOWEST RESPONSIVE BIDDER - HAWTHORNE SERVICES, INC., CHARLESTON, S. C.

AMOUNT.....\$2,439,552.00

RECOMMENDED FOR REJECTION

ANDERSON-CHEROKEE-LAURENS-NEWBERRY COUNTIES

S. C. FILE NOS. 404.3004, 411.3008, 430.3004 & 436.3005 - (REST AREA MAINTENANCE) - UPPER STATE REGION CONTRACT - MAINTENANCE OF PUBLIC REST ROOMS AND GROUNDS IN THE UPPER STATE REGION IN ANDERSON, CHEROKEE, LAURENS AND NEWBERRY COUNTIES.

NUMBER OF BIDDERS - 1
LOWEST RESPONSIVE BIDDER - HAWTHORNE SERVICES, CHARLESTON, S. C.

Columbia, SC 29202

Dear B.K.:

This letter is in response to your correspondence of September 24, 1993, to the Cherokee County Transportation Committee. You stated the need for further clarification of the responsibility for administration of C-funds. It is the intent of the CTC to administer the C-funds for Cherokee County.

Please advise us of the necessary steps to proceed in securing funds for needed projects in Cherokee County. Your assistance is greatly appreciated.

Sincerely,

Donna A. Moss

Bill Bradley

Jack Guthrie

Post Office Box 191
Columbia, SC 29202

Dear B.K.:

The Cherokee County Transportation Committee request that projects bid but not let to contract be deleted from programming. The members of the transportation committee will be advising you of approved projects.

Your assistance is greatly appreciated.

Sincerely,

Donna Moss

Bill Bradley

Jack Guthrie

September 24, 1993

Mrs. Donna A. Moss - Chairman
Cherokee County Transportation Committee
110 Camelot Drive
Gaffney, South Carolina 29340

Dear Mrs. Moss:

Confirming our telephone conversation on Thursday, September 23, 1993, please be advised I have the letter you sent to Mr. Chapman regarding the Cherokee County Transportation Plan. In reviewing the plan, I note the Committee failed to address how the funds were to be administered which is a vital part of the Transportation Plan.

It would, therefore, be appreciated if you would advise whether or not the County Transportation Committee intends to administer the funds or whether they are to be administered by the Department with the Committee selecting which projects are to be constructed.

With kind regards, I am

Yours very truly,

B. A. Jones

August 30, 1993

Mr. V. Laniel Chapman
Chairman
State Highway and Public
Transportation Commission
Post Office Box 191
Columbia, SC 29202

Dear Mr. Chapman:

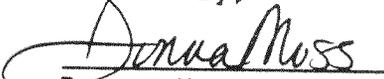

According to the amended version of S. C. Code 12-27-400, the Cherokee County Transportation Committee is submitting a countywide transportation plan for review and approval by the South Carolina Department of Transportation.

The Cherokee County Transportation Committee will make allocations to Cherokee County, the City of Gaffney and the Town of Blacksburg based on prioritization of projects according to the immediate and long term needs through a program allowing the improvement and paving of roads not currently in the state highway system. In addition, the CTC will make allocations for resurfacing projects in Cherokee County, the City of Gaffney and the Town of Blacksburg, of roads currently within the state highway system. Furthermore, C-funds will be used to make improvements for emergency projects at the discretion of the CTC.

The CTC will work in conjunction with Regional Transportation Committees in the best interest of and benefit to the citizens of Cherokee County.

According to amended Code 12-27-400, the CTC will use a procurement system which requires competitive sealed bids and public advertisement for all projects. Any project will meet specifications determined by the CTC in accordance with current requirements set by state and county standards.

Sincerely,

Donna Moss

Bill D. Bradley

Jack Guthrie

Dear Mr. Jones:

The CTC of Darlington County respectfully submits the County Transportation Plan for approval by the Department of Transportation.

Part I (copy attached) Darlington County List #1 (July 1991)
Part II (copy attached) Darlington County List #2 (January 1993)

Actually, both parts of this plan have prior approval by the delegation, and the first part has already been assigned item numbers by the Department of Transportation for early 1994 letting.

It is requested by the CTC that funds for Part I and Part II, all remaining steps, and actual construction of Part I and Part II be administered by the Department of Transportation.

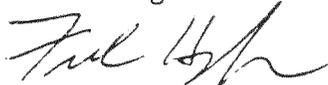

Respectfully submitted,

Darlington County Transportation Committee

Honorable Edward E. Saleeby
Box 519
Hartsville, South Carolina 29550

Dear Senator Saleeby:

This has further reference to my letter to you of September 19, 1991, regarding the Delegation's request for improvement of twenty-one roads in Darlington County.

In this connection, please find enclosed a copy of the Department's evaluation indicating all the roads qualify for improvement with exception to No. 6A Seminole Street, No. 13 Gandy Drive, and No. 15B Woodbine Drive. These roads will not qualify due to the fact we are unable to find the way to properly drain each road. The estimated cost for the improvement of the roads that do qualify is approximately \$ 1,162,000.00. A recommendation will be prepared for Commission approval at its next meeting setting aside funds for this purpose.

With kind regards, I am

Yours very truly,

Robert L. White
State Highway Engineer

Dear Senator Saleeby:

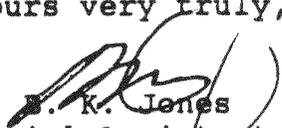

I am in receipt of your letter of September 15, 1993, advising on behalf of the Darlington County Legislative Delegation that Mr. Leon Johnson, Mr. Frank Hough, Mr. Thomas McClain, and Mr. T. E. Truett, Jr. have been appointed as County Transportation Committee.

With reference to your letter, please be advised the County Transportation Committee (CTC) needs to adopt a countywide transportation plan and submit it to the Department of Transportation for review and approval. Currently, Darlington County has a program balance of \$89,147.19. Attached for your ready reference is the latest copy of the Department's "C" Construction Status Statement which I feel is self-explanatory.

Thank you for the Delegation's prompt action in this connection and I will hold this appointment letter and include it as a part of the Transportation Plan for Darlington County.

With kind regards, I am

South Carolina Department of Transportation
Columbia, South Carolina 29202

Dear Mr. Fanning:

Please accept the following as Laurens County's transportation Plan as required by the 1993 Amendment to the "C" Fund Law.

1. The Laurens County Transportation Committee request the State Highway department to administer all funds available to Laurens County under the amended "C" Fund Law. As this law may change, this plan will follow provisions as they are amended. If, or when amendments to existing law occur, the committee will utilize available funds for state and county projects.

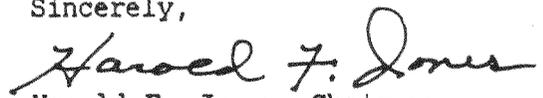

2. The Committee request that all projects currently programmed, but not yet let to contract be advanced to completion.

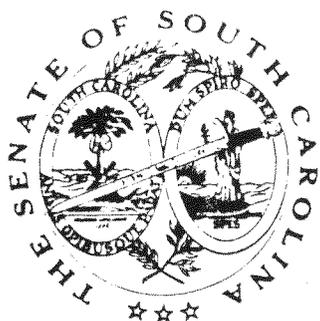

3. The Committee will receive project requests from Laurens County Council, Municipal Councils, and Citizens. Members of Laurens County delegation will refer request they receive to the Laurens County Transportation Committee for evaluation. After initial evaluation of request received the Committee will refer recommended projects to the Highway Department Engineer for a feasibility analysis.

4. The Committee will prioritize approved projects and proceed as funds are available.

5. The Committee will also evaluate such needs as: resurfacing, bridge replacements, drainage improvements, sidewalk projects, and safety improvements. These will be a part of the overall program.

Sincerely,

Harold F. Jones, Chairman

Thank you for agreeing to serve on the Laurens County Transportation Committee. Your appointment by the Delegation will be effective until December 31, 1994. After that date, you will continue to serve until a replacement is appointed, or you could be reappointed by the Delegation. We have done this to coincide with the election cycle.

The Delegation has appointed Harold Jones as chairman of this committee. I am asking Mr. Jones, by copy of this letter, to call a meeting of the committee in the near future and notify the Delegation so we can meet with you just to discuss the parameters and how this committee will work. At that time, I hope we can answer any questions that you have concerning this.

With best regards, I am

Sincerely,

LEXINGTON COUNTY TRANSPORTATION COMMITTEE

County-wide Transportation Plan:

Lexington County has approximately 2,500 miles of publicly maintained roads. The S. C. Department of Transportation has about 1,500 miles of this, including Interstates and about 55 miles of dirt roads. Lexington County Department of Public Works maintains about 1,000 miles of roads, with 220 miles being paved and 780 miles being dirt.

The basic concept behind the establishment of the "C" Fund gasoline and fuel tax was to pave dirt roads enabling farmers to carry their products to the appropriate market. This was the reason they have been called farm-to-market roads. In addition to the farming interests, the population of Lexington County has increased considerably with the rural areas growing rapidly as well as the urban areas. In 1970 Lexington County had a population of 89,000; 1980 it had 140,000; and 1990, 168,000. Projections show that by the year 2,000 the population will be over 210,000.

For at least six years the Lexington County Public Works Department has worked closely with the Legislative Delegation in providing a "Priority Ranking System" which rates all public maintained petitioned dirt roads from a technical standpoint. An overview of how the system works is attached but there are four basic criteria that are used to "weigh" each road. Annual maintenance costs, number of homes on the petitioned section, traffic counts and whether or not it is a school bus route determine the numerical rating. This system is updated on an annual basis.

Lexington County Transportation Committee proposes using this system in the majority of funds provided through "C" Fund Program. On a case by case basis other "Special Projects" will be evaluated as to need and availability of funds. These projects will be used to make improvements on public roads. At this time, without a Local Paving Program, special projects will be limited to State maintained roads.

It is the opinion of the S. C. Department of Transportation that the new law prohibits the Local Paving Program. This needs to be addressed in the next legislative year. Lexington County has participated in this with a very high level of success. Some of these short petitioned roads can be paved with less "C" Fund money and also faster than going through the S.C.D.O.T. All Local Paving Program projects must be approved by Lexington County Council. The C.T.C. does have the capability to do the work required on these roads, including engineering, right-of-way acquisition, contract administration, etc., through the Public Works Department.

Attached also is a sample of Lexington County Public Works Department's Priority Ranking System. This system allows for a road paving schedule based on need with the primary weight on cost of maintenance. This cost is reported by each maintenance crew weekly and entered into the computer to be evaluated on an annual and per mile basis. Number of homes is determined whenever a traffic count is taken (approximately every three years) and school bus routes are determined annually through the school districts.

Lexington County Council, also the CTC for Lexington County, has delegated all operations of the CTC to the Public Works Department. The "Priority Ranking System" will be used on a county-wide basis, and all special projects will be evaluated and recommendations made to the CTC (County Council) for a vote. Due to the change in allocating "C" Fund money, a master list of projects will be submitted (no less than once annually) with cost estimates and priority of funding by the CTC with the Public Works Department monitoring the monthly changes.

By law, the C.T.C. can elect to receive the money directly, but there are several important unanswered questions at this time. Until these issues are resolved, programmed projects will proceed through the South Carolina Department of Transportation. If the Local Paving Program is written back into law, the C.T.C. will utilize this as a method of making improvements on County roads.

The Director of Public Works will be the primary contact with the S C Department of Transportation as to "day-to-day" questions.

The County Transportation Committee will review and vote on all prior commitments made by the Legislative Delegation not yet let to contract.

"C" FUND RANKING PROCESS

The following information and data is gathered for each petitioned road in Lexington County.

1. Petitioned road name
2. House district
3. Council district
4. Maintenance district
5. Location/Map Grid
6. Year petitioned
7. Petitioned length
8. Total length of road
9. Average annual maintenance cost (past 5 years)
10. Number of houses/mobile homes on petitioned portion
11. Average daily traffic
12. School bus route or not

Once the information has been gathered on each petitioned road it is run through a program which assigns a total weighted value to each road as follows:

Average annual maintenance cost divided by total length of road = average annual maintenance cost per mile.

From this information a maintenance cost factor is assigned to each petitioned road as follows:

For Maintenance Cost Per Mile:

Less than 1000	-----	Give Maintenance Cost Factor = 50
1000 to 2500	-----	Give Maintenance Cost Factor = 100
2500 to 3500	-----	Give Maintenance Cost Factor = 150
3500 to 4500	-----	Give Maintenance Cost Factor = 200
4500 to 5500	-----	Give Maintenance Cost Factor = 250
5500 to 6500	-----	Give Maintenance Cost Factor = 300
Greater than 6500	-----	Give Maintenance Cost Factor = 350

The density per mile is determined and also the average daily traffic. If the road is a school bus route then the traffic count is increased by one-tenth.

The total weighted value = Maintenance cost factor + density/mile
+ average daily traffic.

The roads which receive the highest total weighted values are the roads which Lexington County recommends and these should be considered for paving.

SAMPLE

PRIORITIZED LIST FOR "C-ROAD" ROAD CONSTRUCTION PERMITTING.
 RECEIVED BEFORE NOV. 15, 1982. TO BE SUBMITTED
 IN JULY, 1983, FOR RECOMMENDATION.

**NEWBERRY
COUNTY
TRANSPORTATION
PLAN**

AND

**TRANSPORTATION
COMMITTEE
APPOINTMENT**

NOVEMBER 29, 1993

MR. DANIEL P. FANNING
EXECUTIVE DIRECTOR
SOUTH CAROLINA DEPARTMENT OF TRANSPORTATION
POST OFFICE BOX 191
COLUMBIA, SOUTH CAROLINA 29202

RE. NEWBERRY COUNTY TRANSPORTATION PLAN

DEAR MR. FANNING;

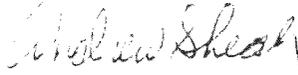

ENCLOSED ARE THREE [3] COPIES OF THE NEWBERRY COUNTY TRANSPORTATION PLAN AS APPROVED BY THE NEWBERRY COUNTY TRANSPORTATION COMMITTEE ON NOVEMBER 29, 1993.

WE RESPECTFULLY REQUEST THIS PLAN BE APPROVED BY THE SOUTH CAROLINA DEPARTMENT OF TRANSPORTATION COMMISSION AT ITS DECEMBER MEETING.

THE NEWBERRY TRANSPORTATION COMMITTEE WILL REVIEW AND REVISE THIS PLAN AS OFTEN AS NECESSARY, AND AT LEAST ANNUALLY. SUCH REVISIONS WILL BE SUBMITTED TO YOUR DEPARTMENT FOR APPROVAL.

PLEASE ADVISE US WHEN THIS PLAN IS APPROVED.

SINCERELY

ANDREW SHEALY CHAIRMAN
NEWBERRY COUNTY
TRANSPORTATION
COMMITTEE

NEWBERRY COUNTY TRANSPORTATION PLAN
NOVEMBER 29, 1993

1 ROAD ANALYSIS

NEWBERRY COUNTY HAS APPROXIMATELY 1152 MILES OF PUBLIC ROADS INCLUDING MUNICIPALITIES. A BREAKDOWN BY CATEGORY IS AS FOLLOWS:

- 295 MILES COUNTY ROADS (UNPAVED)
- 28 MILES INTERSTATE
- 184 MILES PRIMARY (U.S. & S.C. HIGHWAYS)
- 645 MILES SECONDARY (TAR & GRAVEL)

THE COUNTY ROADS ARE MAINTAINED BY THE COUNTY; HOWEVER, APPROXIMATELY \$100,000 C FUNDS IS USED ANNUALLY FOR GRAVEL. ALL OTHER ROADS ARE MAINTAINED BY SCDOT WITH MOST OF THAT MAINTENANCE COST COMING FROM C FUNDS. ALL BRIDGES IN THE COUNTY ARE INSPECTED BY SCDOT. THE COUNTY DOES SOME BRIDGE REPAIR; HOWEVER, MOST IS DONE BY SCDOT.

2 ADMINISTRATION

THE NEWBERRY CTC REQUEST THAT THE SCDOT CONTINUE TO ADMINISTER THE FUNDS ALLOCATED TO THE COUNTY AND IMPLEMENT THE APPROVED PROJECTS WITHIN THE PLAN. THIS POLICY WILL BE REVIEWED ANNUALLY. THE CTC RESERVES THE RIGHT TO REVIEW ALL FINAL BIDS BEFORE THEY ARE LET TO THE CONTRACTOR.

SCDOT WILL IMPLEMENT THE APPROVED TRANSPORTATION PLAN WITH THE FUNDS ALLOCATED TO THE COUNTY AND PROVIDE THE FOLLOWING FOR EACH FUNDED PROJECT:

- A DESIGN ENGINEERING
- B ACQUISITION OF RIGHT-OF-WAY
- C PROCUREMENT OF CONSTRUCTION CONTRACTS
- D PROJECT SUPERVISION
- E COMPLIANCE WITH MINORITY AND WOMEN-OWNED BUSINESS REQUIREMENTS UNDER S.C. CODE 12-27-1320.

WHENEVER THE PROJECT IS OFF THE STATE HIGHWAY SYSTEM, THE SCDOT WILL BE ACTING AS AGENT FOR THE COUNTY.

3 UNPAVED ROADS

A GOAL OF THE CTC WILL BE TO HARD-SURFACE AS MANY UNPAVED ROADS AS PRACTICAL; HOWEVER, REPAVING, INDUSTRIAL, SCHOOLS, SCHOOL ROUTES, MAIL ROUTES, BRIDGES AND SIDEWALK PROJECTS WILL BE CONSIDERED AND ALL WILL BE PRIORITIZED BASED ON NEED AS DEEMED BY THE CTC AFTER ALL PERTINENT INFORMATION HAS BEEN REVIEWED.

4 PROJECTS PROGRAMMED BUT NOT LET TO CONTRACT

THE CTC IS IN THE PROCESS OF REVIEWING ALL PROJECTS LISTED IN THIS CATEGORY. UPON APPROVAL EACH PROJECT WILL BE FORWARDED TO SCDOT FOR APPROVAL AND IMPLEMENTATION.

5 PRIORITIZING PROJECTS

THE CTC WILL BE USING INFORMATION FROM SCDOT CONCERNING THE CONDITION OF STATE MAINTAINED ROADS AND BRIDGES. THE CTC WILL RATE AND EVALUATE ALL ROADS UNDER LOCAL JURISDICTION AND WILL SOLICIT INPUT FROM LOCAL OFFICIALS AND CITIZENS ON SPECIFIC PROJECTS.

6 EQUAL CONSIDERATION

A BALANCE OF EXPENDITURES AMONG THE FIVE (5) DISTRICTS OF THE COUNTY INCLUDING TOWNS AND MUNICIPALITIES WILL BE MONITORED, REALIZING THAT SPECIFIC PROJECT NEEDS MIGHT CAUSE AN IMBALANCE FROM TIME TO TIME. SUCH FACTORS AS NEED, MILES OF ROAD, POPULATION OF AREA, TRAFFIC COUNT, COST PER MILE, EFFECTS ON ADJOINING PROPERTY, ENVIRONMENTAL, RIGHT OF WAY, NUMBER OF HOUSEHOLDS SERVED ETC. WILL BE CONSIDERED.

7 RESURFACE AND REPAIR

THE CTC WILL ESTABLISH A RESERVE FOR REPAIR AND EMERGENCY NEED.

8 REVISIONS TO PLAN

THE CTC WILL FROM TIME TO TIME REVIEW AND REVISE THE COUNTY TRANSPORTATION PLAN, ANY CHANGES, ADDITIONS, DELETIONS ETC. WILL BE FORWARDED TO SCDOT FOR APPROVAL.

9 GOAL

THE NEWBERRY COUNTY TRANSPORTATION COMMITTEE'S GOAL WILL BE TO PROVIDE THE CITIZENS OF THIS COUNTY WITH THE BEST AND SAFEST ROADS AND BRIDGES POSSIBLE FOR THE FUNDS WE ADMINISTER.

ANDREW SHEALY, CHAIRMAN
NEWBERRY COUNTY
TRANSPORTATION COMMITTEE

Mr. B. K. Jones
Executive Assistant to the
State Highway Engineer
S. C. Department of Highways
and Public Transportation
P. O. Box 191
Columbia, SC 29202

Dear B.K.:

I am pleased to tell you that Newberry County has set up a County Transportation Committee. The delegation has appointed the following members to the committee: Fred Weir, R.D. Johnson, Jeff Jeffcoat, Jim Hentze, Andrew Shealy, Jenny Bedenbaugh, and Henry Reeder. Andrew Shealy will chair the committee.

I need to know what the next step for the committee should be. Should they begin deliberations on what roads need to be paved, or should they wait until some further notice? I would also like to provide the committee with general information on the road situation in Newberry County, including how much money we currently have available, what projects are currently scheduled, etc. I think this information would assist them greatly as they begin their task.

Finally, I would like to know if we could allocate a portion of the C-Fund monies to cover costs related to letterhead, envelopes, postage, etc. I think that these costs would be minimal, but necessary.

Your assistance in these matters is appreciated. I look forward to hearing from you soon regarding these matters.

Sincerely,

A handwritten signature in cursive script that reads "Dave".
