Thank you for your quick answer. I am looking forward to the return of the lookup feature on the reservation system returning.

How do you check current and past camping reservations with the new reservation system?

Hi! You currently cannot view any reservations that you made in the old system, in the new system. We are working on that. However, you can call 1-866-345-7275 and they can look up and confirm your reservations for you. The call center is available M-F, 8:30am to 5pm.
