Karen Lucking It is a wonderful park. Enjoyed the info on the bath house. Shades of CCC all over the park. We had a class reunion picnic there and enjoyed the park from 1962 on!!! Parker High School teachers had a shelter and picnic there. Memories!!!!!! Went there in November when I visited home.

Sue Ann Tarkenton We have so many great memories at Paris Mountain State Park. I'm so glad the bathhouse has been refurbished and it looking great. We like to build big fires in the fireplaces at the shelters and spend a cool afternoon there. My boys had several birthday parties in those shelters. Their friends use to say it was like going on a field trip when they came to the parties.
