Ben,

I need your help please. First, the question from Sheila is a contract question between CMCOG and Senior Resources. Second, earlier today we talked about how the June payment would be handled between our offices.

If you have any questions, please let me know.

Thanks.

Tony

Sharon, Nevetta,

We need to have our Budget approved at our Board Meeting Thursday at noon. Is there any way you can find out about the current year's contracts to see if they are going to change? If they are going to be reduced by our June payment, that would have a huge effect on the number of people and units we can serve this year, and on our overall budget.

I appreciate your trying to get this information to us as soon as possible, as I need time to make changes to our budget by tomorrow morning, if necessary, so that the Board has a chance to review the budget before the meeting.  
Thanks,  
Sheila
