Representative Norman,

I spoke to Mr. Andy Kane. His son is having trouble registering with Experian. I have sent his son's contact information to Experian and a specialist will be contacting him within the next 24-48 hours to assist him in enrollment.

I told Mr. Kane to contact me if he or his son has any other questions. Please let me know if I can be of further assistance.

Katherine, two things I need your advice on;  
Experian- do you have anyone special that I could speak directly with regarding a particular problem with a constituent getting coverage?
