Hey All,

It would be good to do a call if possible just to clarify your suggestions and what we did at our meeting on Wed. morning.

Monday afternoon is good for me.

Or if you want to meet in person - that works too!

Team,

I am so sorry I missed yall this morning!!

Attached is the program text with potential changes to the program. Please review all feedback is welcome. If we need to do a call to discuss – please let me know.

Have we confirmed if Jill reached out to Jason?

Kelsey,

Can you send me the text for the acknowledgments? The text we received is different than the program from this morning.

Once received – I will make updates and send back to you.

Hope all is well! God Bless America.

Thank you,

Katherine
