Did we hear back from Chairman Alexander?  
If not, I can check with Lisa today.

Karen and Sally:

Rep. Smith and I met with the Governor's office yesterday to discuss this transfer. While Rep. Smith is supportive, he asked that I get any additional information you may have as this is likely to come up during debate in the coming weeks.

Specifically, any details concerning the current state Waiver for work requirements ending March 30th, transfers and adjustments within agency budgetary lines, and any information you may have on southeastern states providing the E&T services in a similar fashion.

Please let me know if you have any questions.

Thank you!  
Ryan
