We've had a couple other fire drills last night/today, so I haven't had a chance to get with him yet today. I thought more about it last night...and about your comments and Jeff's.

It looks like Nirav is going to get pushed to 5PM next Tuesday now, in which case, we should have our 10AM slot on Tuesday back to meet as a group. How about we catch up then? I may call you on Monday in advance of that Tuesday morning meeting, depending on what I come up with this weekend. Thanks.

Hi Christian,  
Were you able to speak with John last night regarding the procurement? I'm wondering if we should just plan to discuss on Tuesday at the team meeting or if I should touch base with John today.  
Thanks!
