The Honorable Nikki R. Haley  
Governor of South Carolina  
1205 Pendleton Street  
Columbia, SC 29201

Dear Governor Haley:

Regarding a State Minimum Wage Increase,

I think the minimum wage should be raised.

As a business owner, this legislation will affect me in the following ways.

Economics is common sense. Popular vote defies it for a number of reasons.

Bottom line, every business owner will suffer the losses while the costs trickle down to the consumer in order to make politicians look good.

Some will never see or concede that raising minimum wage will do little to improve their bottom line. Most educated know what it will do, after a period of time, to the deficit and the dollar.

Educate and keep surpass the global economy. Stop handicapping America.

A proud member of National Write Your Congressman.

Sincerely,
