**fe\_lvr** @doublehknives I can't seem to get an answer, can you dispersed camp in that part of the park?  
at 11:58:23 on 9/25/2019 UTC

**doublehknives** @fe\_lvr no, I dont think so. Camping only in designated areas if I remember correctly. They do have primitive campsites...tents and such, back behind the welcome center.

**fe\_lvr** @doublehknives that's what I thought. Thanks much!!

**doublehknives** @fe\_lvr bet if you tried it you could get away with it easily though.
