Thanks a lot. I see in the May 2016 notes that they planned to publish the explosion simulation study later that Fall, but there's not mention of it in the 2017 minutes. Did that happen? Should I ask someone down there?

Morning, Gene.

Will this work? Let me know if you need earlier reports.

Thanks.

All,

Please find attached the last 3 Hunley Commission Reports submitted to Kellen and John Hazzard. The last 2 were submitted in the last 2 weeks.

Michael – Please forward to Mr Hogan, any earlier report can be provided as well.

Thank you,

Stephanie
