Dear Dr. Varat,

I hope this email finds you well. Per your request, I am emailing to remind you of my interest in an internship for this summer. My schedule has just solidified, and I should be available from the last week of May until the start of graduate school on June 25th. I know that I am available for only a short period of time, and I understand if you can only offer the position to someone available all summer. However, I would be honored, if you consider me. I look forward to hearing from you.

Best Wishes,  
Chandler Holgate
