Were the expiration date for annual park passes extended due to closure from Covid?

Here is the information from our website concerning park passports: PARK PASSPORT HOLDERS:

If you are currently a park passport holder, we will do one of two things to give you back the month you will be missing.

When you purchase a new passport, we will add the extra month on to that passport at no charge.

When your current passport expires, you may turn it in and we'll give you another passport for the month missed at no charge.

Thank you for your understanding and patience during these unprecedented times. Please stay tuned to our social media and website, for updates and information.
