HOW COUNTIES USE THE NETWORK OF CARE TO REACH OUT TO CONSTITUENTS

A wonderful example of how one county uses the Network of Care to reach the people it serves. This promo card comes from Worcester County, Md.

I want to share a wonderful example of how one county uses the Network of Care to reach the people it serves. This promo card comes from Worcester County, Md.

This consistently innovative county has three Network of Care Web sites – for **Service Members, Veterans & Their Families**; **Mental/Behavioral Health** and **Local Health Improvement Process**.

If you have any questions about the Network of Care, please contact me directly at any time.

Thank you,
