Palmetto Fellows Scholarship Awards for FY 1998-99

As you are aware, Proviso 18A.28 passed by the 1997 General Assembly stipulates all students must meet the following three criteria in order to be eligible to apply for a Palmetto Fellows Scholarship: 1) score 1200 on the Scholastic Assessment Test (SAT) through the October administration or an equivalent score on the Preliminary Scholastic Assessment Test (PSAT) or American College Test (ACT); 2) earn a 3.5 grade point average on a 4.0 scale through the end of the junior year; and 3) rank in the top five percent of either the sophomore or junior class. The following tables reflect the new Palmetto Fellows Scholarships awarded to date in compliance with Proviso 18A.28, as well as continuing Palmetto Fellows Scholarships.

957 students met the eligibility requirements and applied for the Palmetto Fellows Scholarship. Of the 957 who applied, 619 students were offered scholarships in the initial two rounds of awards. 156 students declined the scholarship leaving 463 scholarships. The remaining scholarships were accepted by students attending either a public or a private institution (public awards=344; private awards=119).

Due to the number of declines in the initial awarding of scholarships, 110 scholarships have been offered to alternates who were upgraded to Palmetto Fellows. These students notified the Commission of their acceptance by May 29, 1998.
