Subject: Hi -- Haley contact?

---

Hey Chaney! Kylie Atwood with CBS News here. We connected a while ago during the 2016 presidential primaries in SC when I was a reporter on the road. I am now covering the CBS News State Department reporter and I'll also be covering the UN very closely. I need to figure out who is best to reach out to from Haley's staff there. Will you be going to the UN with her? If not, thought you could help point me on the right direction?  
Thanks!! Kylie
