

Dear Gov Haley,

I have thought a whole lot about writing this letter to, I need help and I don't know who else can help me.

Well I live in union at Woodlawn Manor A1. Donna Atkins is supposed to be the manager but she don't do very good job at it

For two years I have been abuse and threatening so many time I lost count,

I don't bother nobody and I stay in my apartment. The people in A2 A3 play music so loud I have to get next to my T.V. to hear it.

I wanted to ask you something like

my T.V. was off my radio will not play and I was in bed reading a book. Did I turn the Page 20 loud that they could hear it in A 7.

NO Donna wanted me out so her drug friend can move in. Her daughter got catch selling Foodstony for drug. She think I did but I did not. I did not know until I read it in the paper.

She don't talk to me she used to put at me but now she write it out and throught it in the chair. I have been hear for 20 years and the last 2 years had been hell. The only thing I

I wanted to spot abuse and threaten
me and tell them to cut the music
down.

O when she came in my apartment
she turned the eye on the stove up,
and she said my bathroom next clean
up and mop. There was 5 people
came in after her and they could
not find any thing wrong. The
Holy spirit told me to write to
you. If I could afford a house I be
glad to let her drug friend have it
but I can't afford one. I am poor.
Since I wrote to you I guess she
will throw me out. But this is
my home. I could be here today
ever

and gone tomorrow, please let me
know who can help me!

May God blessed you
is my pray.

P.S.

There is 5 people she trying
to throw out,

The Holy spirit said you would
help me?

By the way I am 80 years old
