OK, thanks. Working off of the "changes still pending" file, here are some follow-ups, which the attached sheet now reflects:

- Let's use your text for 1A.35, except delete "National Board Supplements."
- I sent you 7.5 and 7.6 on Friday afternoon.
- On 11.16, it's OK to use what CHE provided.
- On 38.19, just delete the final sentence.
- On 65.18, amend as we did last year (deleted the specific reference to \$4/day and let agency set the rate).
- On 78.2, delete the final sentence.
- On 99.12, they're paying off the loan this year now, so this is now a Delete.
- 117.98 and 117.99 are "no action" now.

As an FYI, I've drafted a rewrite of 1.80 that's over at the Department of Revenue for review. I should be able to get that to you in a couple of days. Still working on the others...

Christian,

Attached is a document which shows the Proviso decisions I still show as pending from your spreadsheets as well as any that I wasn't clear on the change.

I have also attached the full proviso document as amended so far.
