---

Please note that on Monday, February 28th I will be returning to the Budget & Control Board, Executive Director's Office as Assistant to the Chief-of Staff. I have been an employee on loan from the Board to the Governor's Office since November 2002 beginning with the transition activities. I will continue to assist the Governor's Office as circumstances warrant.

My phone numbers will remain the same and my current e-mail address will be active for a while. My new e-mail effective 2-28-05 is:

wegunn@oed.state.sc.us

It has been both an honor and a privilege to serve in Governor Mark Sanford's administration.

Thanks.....
