Subject: Memorial Day

I am following up on our conversation when you and the Governor were at Wexford and Cherichella's. The Navy League sponsors the Memorial Day Ceremony at Shelter Cove Park on Hilton Head. I asked if the Governor and Michael would be our guest speakers. I would hope that over the holiday they might be spending it with the Haley's on HH so it would be convenient. The ceremony is scheduled for 11AM on Monday. I look forward to hearing from you.

Thanks

Dick Foster
