3 Ways Tax Reform Has Impacted the Muni Market

Observers thought the federal law would stifle the sale of municipal bonds -- and in effect infrastructure projects. But it hasn't been that bad.

POLITICS

Wisconsin's GOP Speaker on Power Grabs, Tony Evers and NCSL's Future

Republican Robin Vos, who engineered the lame-duck bills to strip power from the incoming Democratic governor and attorney general, maintains that the maneuver was a nonpartisan attempt to restore balance between the branches.
