MRS. HALEY:

Here are some other scripture verses that align with what I wrote in the previous letter; Also with what you have already begun to accomplish here in S.C.

I WAS personally reflecting on the history of South Carolina with the help of an re-enactment of the Civil War - between the states, and the burning of South Carolina by Northern troops.... "That in the dispensation of the fullness of the times He might gather together in one all things in Christ, both which are in heaven ($\uparrow N$) and which are on earth ($\downarrow S$) in Him. In Him also we have obtained an inheritance, being predestined according to the purpose of Him who works all things according to ~~the~~ the council of His will....

In reference to the principalities and powers... which He worked in Christ when He raised Him from the dead and

Seated Him at His right hand in the heavenly places, far above all principalities and power and might and dominion, and every name that is named, not only in this age but also in the age to come." [Ephesians Ch 1 vs 9-10; 2]

"...God was manifested in the flesh, justified in the Spirit, seen by angels, preached among the Gentiles, believed on in the world, received up in glory"...

This God is who I believe and as scripture said that He would return, as is written, as it is...

Something happened where the Southern states at one time rebelled against the Government and I believe it is the will of the Father to restore what was burned in more ways than one.

I think one major step would be to remove the black horse that sits at the entrance to the city by the riverwalk or at least paint it, as it represents death, plague, and debt. Small steps; however I assure you that it will be a big step of progress as it is death, plague etc that burned S.C to begin with. No need to worship that!

I look forward to finding work here in Columbia SC preferably West Columbia as it is the place of my birth.

Sincerely,
Charles Hair

MRS. HALEY:

I WAS reflecting on something I observed in the newspaper about South Carolina's 17.8 million dollar debt. Looking at the word debt and deficit. And the root of those words are the words de-to take away, def-lack of hearing, dark, behind etc.,

I've noticed that there is a constant struggle for power amongst politicians or governments, the Bible calls them Principalities, powers, rulers of darkness in high places (Paul) "... For We wrestle not against flesh and blood but against Principalities, powers, rulers of darkness in high places"....

I would like to bring to your attention one area of concern, and an example of the political significance of what I have described.

The people, And Companies are voting for the authorities, Politicians ~~sa~~ that best suit their agendas, As is KNOWN; however what is Not KNOWN because of lack of Attention to scriptural fundamental guidelines is that the "agendas" are Attached to higher purposes As in: "...In high places..." or heavenly realms that allow ... spiritual wickedness ... to rule as opposed to righteousness AND happiness and prosperity As in Not in debt or darkness, or even death.

Cigarettes Cause Cancer, death in some cases, other negative or dark affects As in deficit, death etc. The MAKERS of them Are those who help presidents and Politicians become leaders And in turn "lead" And become rulers of the Children of South Carolina, And other states AND even Presidents. This is the problem with "big business" And allowing "business" to run governments that have a higher purpose than "to MAKE MONEY".

I believe that you would be better off separating from those businesses that promote such things And as separation comes enlightenment comes, to govern in a better way that brings the prosperity that is Needed.

This bold step, is vital to the prosperity of South Carolina, more importantly sets a firm foundation for the Children of South Carolina of the future. Also will set South Carolina in a top position in the nation And make South Carolina a desirous ~~soon~~ state.

Thank you for the opportunity to write this letter. I will be in touch to help if I can And look forward to Seeing this prosperity that is so Needed.

If you ever need a running mate I seriously believe we could win the Presidency.

Your in my prayers, And keep me in yours.
May The God Lord bless South Carolina.

Sincerely,
Charles Hair
