Chuck thanks to you and your production company . SC will be the perfect state for this reality TV show to begin . We have massive tax violations , corruption and violations to our SC Foia laws by these organizations refusing full transparency to tax payers and their monies they entrusted to these organizations . The IRS Whistle blower Bounty Hunter TV Show will expose it all . This prime time TV show will be a big hit and force State of SC , IRS, politicians and others to fix our corrupt broken system . Again viewers will love this 20/20 paparazzi style reporting . Our first targets will be the 3 SC Chambers and CVBs. Next target bigger abusers like LasVegas and The USChamber in Washington, D.C. Then move city by city , state by state exposing massive tax violations , abuse and corruption . Our idea will be to offer cash rewards from 5 k to 5m based on information leading to convictions , arrest and Whistle blower fees collected from IRS . We will become known as the worlds largest Bounty Hunter and feared by all who violate our tax system , tax payers and members of these Chamber organizations and other donor non profits that are misleading many who donate . We have already identified perhaps 1billion plus plus in unpaid taxes and violations by non profits in America . I am not sure the politicians and authorities in SC fully grasp what is fixing to happen . We need to attempt to get responses from all our politicians and our Gov on all this as well. Some are included on this email . Thanks

Take this serious this lawyer is connected to the top brass at IRS . This is a huge discovery .

Excellent Article Thanks !!!! We can do updates as they happen like Bill Miles 1.7 million he paid for his house in 2007 with tax and members monies . You must add

the total compensation is not shown on IRS form 990 . All these leaders will have other perks like travel , free golf memberships etc not shown. We have asked that Helen Hill as an example be investigated for her total compensation and the way this Charleston Cvb is set up to be totally controlled by her . You join as an investor not a member and have no rights . Tom Donahue jet and limo usage and who knows what else . 4.7 million salary for any head of any non profit is just massive abuse anyway you spin it .

Our Foia lawsuit victory against the Hilton Head Bluffton Chamber is critical to force all these chambers /CVBs to be fully transparent .

Rick our politicians and SC IRS are doing nothing to fix this . Will be interesting to see how many new non profits are formed in the future by many others who see how easy it is to completely avoid taxes in America ,receive large salaries and get tax payers monies as well to help pay for all.

I keep scratching my Head on how Bill Miles on Hilton Head buys a 1.7 million home and a total compensation of 400k ,and how the current Chairman Tom Upshaw past head of our local nonprofit Palmetto electric coop salaried at 340k , and David Tigges Chairman of McNair Law firm , all appointed not elected , continue to be allowed to get away with all this abuse .
