## 3 More Reasons to Attend the EREF Summit

Have you made plans to join us May 8th at the [EREF Summit](#) happening at [WasteExpo 2017](#)?

### **If landfills are a part of your business, you need to be there.**

This new, one-day event is *all* about landfill leachate—bringing together engineers, academics, industry professionals, government personnel, and policy makers for in-depth discussions and problem solving.

**Here are some of the top things you can look forward to:**

#### **Real-world, data-driven presentations from the industry's top technical experts and research institutions; presenters include:**

**1**

- Stephanie Bolyard - Environmental Research & Education Foundation
- Brian Brazil - Waste Management
- Michael Damell - Republic Services
- Syeed Iskander - Virginia Tech
- Arie Kremen- Comerstone Environmental Group, LLC
- Kurt Shaner - Waste Connections
- Benjamin Sparrow - Saltworks

## The latest thinking on must-know topics including:

# 2

- Leachate Treatment in an Era of Enhanced Discharge Limits
- Integrated Forward Osmosis
- State of Leachate Management and Treatment in the U.S.
- Leachate Management: Responding to the Unexpected
- High Ammonia Leachate Treatment: Membrane and Evaporative Systems
- UV Quenching Substances in Leachates from Elevated Temperature Landfills
- Impacts of Elevated Temperature Landfill Liquids on Biological Treatment Processes

See the full agenda [here](#).

# 3

**On top of all the great content, you'll get to network and brainstorm with peers and industry experts from across the country** – you'll meet landfill owners, consultants, equipment providers, municipalities and government agencies, all laser-focused on tackling the same challenges that keep you up at night.
