Subject: RE: Registration for AIRS

Michael,

I talked with Renee about this. The instructions are to register with AIRS. They will accept the registration and schedule the test. We are only the test site. There are only four slots available for the test. It is also open to anyone in the country wanting to take the test. Additional test dates have been set.

Subject: Registration for AIRS

Tony,

I trust you are well.

As a follow-up to our discussion a couple of weeks ago, do you know what the status is regarding the AIRS testing event on June 3rd at the LGOA? I received an e-mail stating that AIRS has filled all slots for the June 3, 2014 AIRS Certification CBT exam date. Two of my staff, Shalyse Edgar and Lakeisha Govan, were notified that they will be unable to take the test on that date, and one of my staff, Janae Allumbaugh, received confirmation to take the test on that date. Please inform me as to the status of the class so that we may plan accordingly to have staff participate in the testing to acquire this important credential.

Thank you, and I look forward to sharing with you details (in addition to our area plan update) regarding the new vision and direction for our AAA.
