

Dear governor picki R. Halex.

my name is Repard Harris.  
I am in 4th grade at Doran  
Intermediate school. I am in  
Mrs. Myer's Socio Studies class  
she is teaching us all about  
the United States. I am  
gathering and researching  
information on South Carolina  
to make a state project.

if possible please send me  
pictures, information, brochures,  
or pamphlets that you  
think will help me learn more  
about your state?

I would really love to as  
much as I can about

South Carolina. I would also  
like to visit South Carolina  
in the future. What is  
there to do in South Carolina  
you enjoy living in

South Carolina I hope

you will answer my questions

and possibly send me a little information

about your state, thank  
you in advance for writing  
me back. No self regard.
