Eliza, the statement is below and you have been added to the press list.

Statement from Governor Nikki Haley:

"I have great respect for the will of the people, and as I have always said, I will support the Republican nominee for president. To the members of the press who are asking, while I am flattered to be mentioned and proud of what that says about the great things going on in South Carolina, my plate is full and I am not interested in serving as vice president."

Hey Rob,

A couple things, I'm now at USA TODAY so was wondering if you can get me on your press list with this new email address? Also, can I get the statement from yesterday where the governor said she'd support Mr. Trump but didn't want to be vp?

Thanks!
