It's important. And I'm doing it for my mom and women everywhere

I grew up in SC and think that women shouldn't be burdened by a tax that men do not also have to have.

I am signing on behalf of the female school kids who have a hard time even to afford these items, let alone the addition of taxes. God bless the organizations who give back and provide the items for the less fortunate. I'm signing on behalf of all of them too.

No woman should ever have to suffer embarrassment and dehumanization because she does not have the funds necessary to buy feminine products. How humiliating! Women who struggled to make ends meet will sacrifice her own personal hygiene needs to provide other essentials needed for her family. It's just not right.
