Marcia,

Thank you. I have attached a suggested agenda for Tuesday. Obviously, we can discuss any other matters as well. It would be helpful, if available, to be able to look at organizational charts and any updated narratives that are available. I will try and send you the engagement letter for your review before the meeting; if I don't complete before I head out of town on Monday I will just bring it with me or have our office manager send it to you.

Bruce and I will look forward to seeing you both on Tuesday at 3pm.
