1205 Pendleton Street  
Columbia, SC 29201

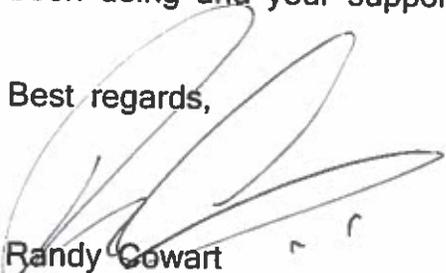

Dear Governor Haley:

On behalf of my son, Brandy, and I we want to thank you for the invitation that we received to play golf at Wexford Plantation and join other festivities during the RBC Heritage golf tournament.

Both of us have business schedules that we are unable to change and we will not be able to join you.

Many thanks for the offer and thank you for the great job that you have been doing and your support of business in South Carolina.

Best regards,

  
Randy Cowart
