Gov. Nikki Haley,

I am rooting for you to win the election. Enclosed is some letters. We need healthcare for the impoverished, and foodstamps increased. Shaun and I are living off of 170 dollars a month from foodstamps and use numerous foodbanks. Shaun still has no job and no health insurance. It isn't easy, but we are making it. Thank goodness you are governor putting good policies in, and for CIFC. God bless you!

With Kind Regards,
Michelle Norman
