Subject: tonight's deadline

Dear Friend,

Tonight at midnight, my campaign will close out the books and prepare to submit our fourth quarter financial report to the South Carolina Ethics Commission.

I'm currently calling through supporters and asking them to make a generous investment in our efforts before the clock strikes midnight.

So I hope you'll take just a moment to invest in our efforts by making your personal and immediate contribution of \$25 or \$50 before time runs out.

As I prepare to submit this financial report, I'm leaving no stone unturned to ensure friends and allies like you have an opportunity to help build our campaign's foundation heading into 2016.

You see, South Carolinians want a fighter, not someone who will surrender to the political establishment in Columbia.

As State Senator, I have and will continue to:

- fight for state sovereignty and against Washington overreach,
- fight for the right to keep and bear arms,
- fight to protect and defend the unborn, and
- fight to protect South Carolina families from unvetted and potentially dangerous Syrian refugees.

There are serious threats to our sovereignty and liberty, and I want you to know I will not waver in the face of a primary challenge or from veiled threats from the political establishment.

But you and I must send a strong message.

Please make your personal and generous contribution of \$25 or \$50 before midnight tonight.

Your support will allow me to show the political establishment in Columbia that we're serious about defending our sovereignty and our liberties.

I can't thank you enough.

For Liberty,

Senator Lee Bright

P.S. As the most outspoken conservative state senator in South Carolina, I have fought for state sovereignty and against Washington overreach, for the right to keep and bear arms, to protect and defend the unborn, and to protect South Carolina families from unvetted and potentially dangerous Syrian refugees.

Now I'm asking you to stand with me in the final hours of 2015 by making your generous contribution of \$25 or \$50, so I can send a message to the political establishment in Columbia. Thank you.
