Re: Freedom of Information Act Request

Dear Sir or Madam:

This is a request under the Freedom of Information Act (FOIA), 5 USC §552, for document(s) containing the information concerning any allegations and accusations of misconduct involving former Sheriff Sanford Parker Jr. or his deputies (including, but not limited to Christopher Page and Dewayne Gillespie) and Chesterfield County Sheriff Office (CCSO) Interagency Drug Task Force during his tenure as Sheriff from 2003 to 2012.

More specifically, besides Parker's investigative record of misconduct, I would like information on the following:

- Federal Grant Programs related to prosecutorial referrals.

- South Carolina Attorney General prosecution referrals for drug and weapon cases in violation of South Carolina state law

I request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest, because it is likely to contribute significantly to public understanding of the operations or activities of the government.

Further, the requested documents are intended for use in administrative and judicial proceedings, please certify that the documents are true and correct.

If the documents do not exist, please certify that they do not.

If you deny any or this entire request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of appeal procedures available to me under the law.

I look forward to your reply within 20 workdays (excluding Saturdays, Sundays and legal holidays), as the statute requires.

Thank you for your consideration of this request.

Sincerely,

A handwritten signature in black ink, appearing to read 'Hakim Abdullah Rashid', with a stylized flourish at the end.

Hakim Abdullah Rashid

p.s.

If the requested documents are not kept at the CCSO, please forward this request to the appropriate office where they are located.
