Nikki,

It's hard to believe, but there is less than one week to go until the primary election. I need each of you to make sure to vote and encourage every Republican you know to go to the polls and support our campaign before on or before May 17th.

2016 is an unpredictable election year and we can take nothing for granted! Hillary Clinton, Nancy Pelosi, and Washington D.C. liberals will be watching the results of our campaign closely and if we don't have a strong performance, they will target our race in November.

Here are a few ways you can help us win big next Tuesday:

- Take a moment to vote early or mail in your absentee ballot today. Find your polling location [here](#).
- Our volunteers are individuals who live up and down the first congressional district and are invested in Idaho and our nation's future. Will you join us? [Sign up here](#) to make phone calls, knock on doors, and help us Get Out The Vote in this final week.
- Donate your Social Media profile images to our campaign. Download a Facebook profile photo [here](#) or a Facebook cover photo [here](#).
- Our GOTV operation includes direct mail, digital advertising, and a strong grassroots effort. [Your contribution of \\$100, \\$50, \\$35, or even \\$15](#) will be critical to ensuring we reach every possible supporter and turn them out to the polls.

The fact is the result of this race hinges entirely on how hard we all work over the next week.

Thank you for all you are doing to help Get Out The Vote and achieve a strong victory for our district.

Best,

Raúl Labrador

P.S. Will you make a contribution of \$10 to help us Get Out The Vote? [Donate here.](#)
