I have this jacket Vienna at my house, ordered it and have not worn, tags on it. You are most welcome to borrow or by at 50%off which is what I paid for it. I have a size 4 and it is a little long for me but I know we both look good in the same colors. I really like the leggings or any narrow pants with it as a look and could also do a shawl if you wanted.

When I was in NYC couple weeks ago the fashion forward ones were wearing this as the hot color, more importantly it is a touch eastern in design but a little edgy.
