**Subject:** MAA plate Bill

Senator Turner,

I added language to the proposed bill you submitted giving funds over the cost of the DMV in producing the plate to MAA for the education programs. This language was the same as was used in the Share the Road plate for the bicycle coalition. I hope the additional language meets with your approval. Please let me know if you need anything else. May is Motorcycle Awareness Month in SC. It would be great if Governor Haley could sign the Bill to kickoff the month.
