Tony,

Christian and I are scheduling this year's agency meetings and were wondering if you are available from October 22 – 24 for an hour to discuss your budget and that of the Lieutenant Governor's Office. I'm unsure as to Governor McConnell's preference for this year's presentation, but we welcome the participation of anyone you wish to accompany you. The format will be similar to last year and we have blocked off one hour for discussion.

Please let me know if there are times in this window that work for you or if you have questions or concerns.

Best,

Josh
