Ms. Lee,

It was great meeting you at the First Gentleman's Golf Tournament in Hilton Head Island. It's awesome to see a young Clemson grad doing so well, you should be proud.

I don't have the Governor or Mr. Hitt's email addresses so I would like for you to pass along my appreciation for the invitations to the tournaments. I would also like for you to reemphasize to them my appreciation for their dedication to bringing new industry into South Carolina. As I mentioned to them both, the new manufacturing facilities and the expansions of the existing facilities have directly helped our business to grow and flourish. As a result, if there is anything that I can for either of them please have them to contact me.

Thanks again,

**David Shehan**
