Our PIO is handling this. The intent was to have him video and photograph then provide it to our local media outlets. If you would like them with us we can make that happen. We have a good relation with the different stations.

Chief, have you contacted any media about this? Do you mind if we do, if you have not?

1:30 it is. I don't anticipate either visit taking more than 30 minutes. The Lt. Governor should be able to depart in plenty of time. Also as an FYI our newly elected Mayor, Will Haynie will be joining us.

Attached is the brochure with the general information on the program. What is not stated is the Knox Box program we are providing to qualified senior residents. This secure box with a single key system is maintained by the PD and FD and used to gain entrance into a seniors home during emergency situations or on welfare checks when the resident can not come to the door. In the past PD and FD would have to make forcible entry into a seniors home during such circumstances. The system is very secure and only allows first responders emergency access.

See y'all at 1:30.

Please also send me just a few bullets on the program to refresh his memory. Thanks

Danny,

My apology. I was looking back through this email thread and noticed I suggested 12:30 when 1:30 is the actual time needed to be here. We are meeting with the recipients at 2 and 3 so 12:30 would have been a bit too early. I hope this doesn't cause any scheduling problems. Please let me know and if needed I can reach back out the recipients and adjust their times.

It looks like the 12th will work best for us. We are confirming the recipients and will advise soon.

Chief Ritchie, LG Bryant would like to participate, and I wonder if December 6th before Noon or December 12th between 1:30 and 3:30 would work for you. Please let me know if neither is convenient, and we'll find other options. We appreciate your help.

Is it possible to provide me with a few dates that representatives from the Office on Aging would be available to go the homes of a select few recipients of the knox boxes?

I was hoping to provide you dates but we are very flexible and can easily work with ya'lls schedule if you have some dates in mind.

Thanks,

Carl Ritchie
