From Tommy Thrasher: Hi Governor Haley my name is Tommy Thrasher and I have specialized in security for the Department of Defense for the better part of 30 years and yes I work here in Guantánamo Bay around them every day!!!! You have my utmost respect and 100% of my support they need to stay where I'm here working every day they look at me and I will not have them on the hallowed grounds of South Carolina.

From Tommy Thrasher: You cannot call me here in Guantánamo Bay but if you would ever like to chat with me just give me a number and I would be more than delighted to call you.
