Subject: Thanks to Governor Haley

Rob,

I just wanted to express my personal thanks for Governor Haley's support of Children Come First and the Family Care Centers at Monday's event at York Place. Children Come First is one of the most important initiatives we have here at United Way and we believe that it's going to make a real difference to families who are broken by addiction, neglect and violence.

Please let the Governor know how much we appreciate all of her support for United Way.
