Subject: Meeting with the Governor

Hi Katherine,

I would like to request a meeting with the Governor. I will be in Columbia for Freshman Orientation on November 27 and 28. I am interested in discussing upcoming problems with ACA, Medicaid expansion and looking at solutions for our state's residents with viable alternatives to ACA.

I believe that in order to steer people away from demanding ACA in our state we need to be able to offer them solutions that work for SC and show that we genuinely care for the best interest of our people and not just against Obama.

I have had several conversations with businesses and individuals for possible solutions and would like to discuss them with the Governor.

I know that a nullification bill will be coming out and I have been asked to put my name on it. I really need a good conversation regarding this issue and ACA.

I look forward to hearing from you.

Thank you,

Donna Wood
