Hank, he has to work on the 11th. Sorry, we're reintegrating calendars. He can't make this. Sorry.

I understand that 9:00a will not work for the Dominion folks. Danny, when you have a chance, just let me know if the time will still work for the LG or if we need to find another date altogether.

Could we do it at 9:00? I have a meeting in Charleston at 12:00.

Subject: Harvest Hope

Danny / Darryl,

Harvest Hope has contacted us... they have about 80 emergency boxes for seniors that they would like to give

to our AAAs... roughly 40 to Appalachian (Tim Womack) and 40 to Santee-Lynches (Connie Munn).

Both Tim and Connie are on board and have room for them. However, Harvest Hope would like to do a formal press announcement at their location off of Shop Road here in Columbia. These boxes have been donated through a partnership with Dominion Energy, who would also be part of the press event.

The date / time they gave us to check in with the LG and others is Wednesday, July 11 at 10:00a. Please let me know if this is something that the LG would be able to make when you have a chance.

Thanks,
