My husband and myself are so are upset about it because we have no other stores here in our town! If we need any supplies for your home we have to make a trip to Columbia which is about 30 miles. We love our Walmart, we both help stock the store when they were beginning to open here. Our hearts go out to all the employees that will be out of a job. And for the ones that can't transfer due to transportation. I pray they would reconsider this for our community it would truly be a blessing to our community!
