TAX DAY! And we hope many of you decided to check off for State Parks! Last year you donated enough funds for us to construct the newly completed Carrick Creek overlook at Table Rock State Park. It protects a very sensitive riparian area around the falls that had suffered from severe erosion and compaction over the years....AND YOU MADE IT HAPPEN! Thank you for checking off for State Parks in 2008 and 2009!

**South Carolina State Parks** Photos of the overlook to come!
