Gov. Nikki Haley

Greetings.

I hope all is well.

Among others connecting I am contributing mine.

The governing establishment in our nation is out of touch. Like many others I'm offended by your response to the State of the Union address by the Liar-in-Chief. You warn against the most angry voices but you don't have a clue of the anger in the American people. The "angry voices" you refer to are the moderate voices, the very reasonable. South Carolinians are very nice people. I have utmost respect for their character and conduct. However, the situation in our nation is extremely dire. Your speech failed to capture any of the feelings of the vast majority of this great country.

* A felon pathological liar is running for president and a serial rapist is helping her to become the most powerful person in the world.

* Our government did nothing to save a

U.S. Ambassador and 3 others and then lied for weeks about their ~~compliance~~ to murder.

* The Supreme Court Chief Justice wrote (illegal) a law to steal our hard earned money.

All All All of these people should
be in Prison !!!!!

WAKE UP!!!

150 million, at least, of the American people feel the same way. We will not let our country go down the drain.

The wealthy inner class are a drop in the bucket compared to 150 million ANGRY Americans.

If you align yourself with the establishment, your political career is over. (This list can go on to number 1000. Politics as usual is over.)

* The evil media said not a single word about the murder of 2,300,000 people in Sudan from 1990-2009. We are fed up! Moderate voices mean nothing.

Sincerely, 

PS: I'm the most non-violent person alive.
