Nicole – can you make sure to delete our request when we forward it to you? I think you usually do....just a reminder.  
Thanks, KV

Rep. Southard,

Haley passed along your scheduling request to have Governor Haley to speak to the group visiting from First Baptist on either April 23 or 30, 2015. I am unsure of the Governor's schedule on those dates this far in advance, but if the Governor ends up not being in the office, the group can certainly take a peek at the Governor's Office. Do you mind sending me an email a week or so before the group is scheduled to visit? I will have a much better understanding of the Governor's availability at that time.

Thank you! Have a wonderful weekend.

Nicole

Haley, thanks for speaking with me about the schedule. I have talked to my wife and they would expect around 10-15 people. April 23<sup>rd</sup> or 30<sup>th</sup> would be good around 2:00pm if the Governor would be available for one minute that would be great. If not maybe we could peak in her office and staff area.

Thank You,  
Rep. Southard
