Good Afternoon, Since you have both approved. I am going to PDF it and send it to the legislature. You have until 4:30pm if you would like any last minute adjustments.

I plan to use the allstaff mailing list which includes the Admin Asst., Research Directors, other staff, and legislators.

Best Regards,

Please find attached a draft notice to the Legislature to inform them of who represents our offices, please review and provide your thoughts.

Please let me know if I have not included someone that you would like included or vice versa. I tried to be mindful that sometimes Lily or Deborah might be working with them on a constituent or setting up a meeting, where are Gerry or Ken tend to work extensively with them on budget matters.
