Subject: Presidents' Meeting

I'm emailing you not to be obnoxious, but because I'm afraid I'll forget...

You mind sending me a couple of options as to when the Gov could bring together the university presidents again? Looking for an hour, probably to meet in CHE's conference room. I'm testifying at a Senate higher ed subcommittee tomorrow, and if it comes up, I want to be able to honestly say that we're working on this. Thanks.
