[Transition Team Bridge Inpatient to Outpatient Mental Health Services for Complex Mentally Ill](#)

In my previous "[Walkabout Medical Home](#)" blog posts I have highlighted the work Primary Health Care Organizations (PHCOs) in Australia (Medicare Locals) have done to connect people with mild to moderate mental health diagnoses to primary care or community-based services.

[This blog](#) highlights the innovative work being done stateside by Oregon's Health Share.

- [Registration](#) NOW OPEN!

Designed by state health policymakers for state health policymakers, the National Academy for State Health Policy's annual conference continues to be the premier educational and networking

event for industry professionals.

Attend NASHP's annual conference for the tools and resources needed to support and enhance your work in state health policy. Network with peers from across the country and hear from the industry's leading experts on cutting-edge topics and the issues most important to your work.

The NASHP conference offers:

- **ACCESS** to top state health policy officials and decision makers.
- An **OPPORTUNITY** to build your brand and increase awareness among your target audience.
- **KNOWLEDGE** on product feedback, market research insights, and future health policy emerging trends.
- The **ABILITY** to introduce your products and services to decision makers and influencers representing every state across the country.
- **INSIGHT** into the needs and innovations in state health policy from the community itself.
